

## Directions to Lake Tomahawk

For thousands of years God's people have been retreating to the wilderness to find direction from God. Lake Tomahawk is less than 90 minutes from Houston, Huntsville, Beaumont, and Lufkin. Come join us in a beautiful East Texas setting on a spring fed lake. Lake Tomahawk is about 19 miles east of Livingston and two miles east of the entrance to the Alabama/Coushatta Indian Reservation on Highway 190.

## About Lake Tomahawk

San Jacinto Baptist Association purchased Lake Tomahawk from the Dickens brothers in 1974. The beautiful 30 acre tract included a dining hall-kitchen, three bunk houses, bath house, a recreation building, a barn, and a 17 acre lake. Since that time Lake Tomahawk has grown to include 104.64 acres, a tabernacle with meeting rooms, dining hall & meeting room, eight dorms, manager's home, offices, nurses station, bungalows, motel rooms, and storage buildings. Other additions include water toys, new docks, inflatable toys, ball field, and dodge ball court. Much of this has been accomplished through the support of San Jacinto and Trinity River Baptist Associations and their churches. However, it cannot be under estimated what the support of Tomahawk's Tribe has contributed to the success of Lake Tomahawk.

## About Tomahawk's Tribe

Tomahawk's Tribe was started in 1995 to accelerate the development of Lake Tomahawk. The concept was to enlist a core group of Tomahawk supporters who would commit to give \$10 or more per month over their tithes and offerings to camp development. That concept has not changed. At the beginning of 2007 we have approximately 74 active Tribe members. Our needs continue to change as we seek to improve service to campers. More Tribe members are needed. If you are already a member, invite someone to join for as little as \$10 a month.

The first Tomahawk's Tribe project was a waste water system. Since that time Tomahawk's Tribe has assisted in accomplishing most of the development mentioned in the section titled "About Lake Tomahawk".

To the members of Tomahawk's Tribe, we say thank you! To those who are just now learning about Tomahawk's Tribe, we say "come join us!"
