December 18, 2014

To: All our Network of Churches

As we approach the New Year, Love INC would like to make several important announcements. These announcements are about Something New that has happened in our ministry of helping those in need.

The first announcement as some of you already know, is our new location at 206 N. Whiting, Baytown, TX 77520, near Memorial Baptist Church. Memorial Baptist has been a part of our network of churches since the very beginning, almost 25 years ago. They have been so kind in offering us such an affordable lease on one of their off campus buildings.

Beginning January 1, 2015, we will be answering the phones as “Love Network of Baytown.” Although we are legally changing our name, our mission and vision remain the same. We now have over 40 churches in the Greater Baytown area working together to assist the needy in the surrounding areas of Baytown, Highlands, and Mont Belvieu. Through our clearinghouse, representing most of Baytown’s churches, we have received through the years, well over 100,000 phone calls, and we meet more than 7,000 basic needs every year.

We began the New Millennium with a surge of financial assistance as we became a part of the United Way team in 2000-01. Thank you to all our network of churches, who provide a large portion of our budget. We also thank United Way, and all our local agencies that network to make Baytown a better place to live.

We all like to receive Something New! I pray that you receive Love Network of Baytown as something new, something refreshing, and something more committed than ever in assisting our City by the Bay.

Love Network is looking for new board members to join us in helping churches and the local agencies help those in need. If you have a recommendation to make to Love Network, please call me at 832-788-3313 or Beth Thompson at the office, 281-422-5683. We are definitely a working board with wonderful committed members. We meet once a month on Thursday at noon in our office.

**“...Let us stop just
saying we love people,
let us really love them
and show it by our actions.”**

Page 2,

As we begin a new year and a new phase of ministry, we ask the Lord to hear our heartfelt prayer. Lord, give us, Love Network of Baytown, a heart to serve with Greater Love, Greater Faith, and Greater Commitment all these precious souls that you have commissioned us to serve. Lord, thank you for Something New in our community as we begin the New Year, 2015. May the next 25 years of ministry bring even more glory to your Name. Amen and Amen

Love and Blessings,

Dr. Thomas Meekins
Board President
