Something To Think About

Randy Gilchrist, Executive Director

I hope and pray that you are all doing well after the “February Deep Freeze” and have water and electricity on. This has been a long year for all of us. But looking back we can see how God has brought us through it all. In the midst of where we are, we need to remember to thank God for what He has done, what He is doing, and what He is going to do. Our job is to make ourselves available for Him to work through us. Remember, 1 Chronicles 29:13 says, **And now we thank you, our God, and praise your glorious name.**

As we look forward to March, a quick reminder about March 2. We have scheduled a Vacation Bible School Director’s Meeting at the Association office. This year, due to the Covid-19 pandemic preventing many of our churches from using last year’s material, we are planning to provide training for both 2020 and 2021 Vacation Bible School themes. Last year’s theme was Concrete and Crane’s and this year’s theme is Destination Dig. We look forward to seeing your church represented at the Director’s Training.

“Truly God is Good---!” (Psalm 73)

A hard year---2020! Trouble for millions! Financial; home schooling; work related; universal illness; wide-spread deaths: “My steps have well nigh slipped.” (Psalm 73:2)

We witnessed “Coronavirus” ravage our nation and the entire world. It is within God’s permissive will, we believe, that He has allowed the Pandemic to speak to all His creation. The principles and teachings of our fundamental faith led us to this conclusion. But the same faith answers in God’s grace and mercy toward us:

“If my people shall---humble themselves; pray; seek my face;
Turn from their wicked ways---I will hear from heaven;
Forgive their sin; and heal their land.” (2 Chronicles 7:14) God’s redemptive answer!

Yet so many scoff at God’s voice and turn a deaf ear toward our Father’s perfect solution. Let us learn, if we follow the world’s wealth; search for purpose and fulfilment in the changing economies of society, and gage success by money, we will fail! Remember we consist of two parts; a dichotomy; body (mortal) and soul (immortal). Mostly we feed our body and starve our soul! Beloved, we must all die—what then?

Know, when the “Coronavirus” relents, worse will follow in this world. “For all the day long have I been plagued and chastened every morning.” (Ps. 73:14) The word of God has spoken. We have the answer before us. “They that are far from thee shall perish—but it is good for me to draw near to God.” (Psalm 73:27-28) Dear friend, let us pray—and every soul declare---“I have put my trust in the Lord God.”

“Truly, God is Good.” (Ps. 73: 1-28)

Lake Tomahawk Pat Flowers, Camp Manager

Quick update from Lake Tomahawk. We survived the recent winter storm with a few broken pipes, nothing major thanks to Bryan Dickens and Nick Wilson. We did not lose water or electricity in our small area. We are blessed to come through this without major damages. We are blessed to have had the opportunity to host 150 linemen for 3 days from all over the USA.

Our retreats are beginning to book again. We have several churches who have booked in March and the following months. Please visit with your ministers about scheduling a retreat at Lake Tomahawk. We are here to serve you after a long spiritual dry time.

Summer 2021 is right around the corner. Please review the dates for the camps sponsored by San Jacinto Baptist Association. Most of the dates have changed for the SJBA summer camps.

Continue to pray for Lake Tomahawk retreats, and financial needs. Hopefully we will have a successful spring and summer and a chance to serve you in the near future.
