Something To Think About

Randy Gilchrist, Executive Director

We want to welcome Juan and Genesis Rodriquez and their three children, as he comes to Dale Dell Avenue Baptist Church as their new pastor. We want to pray for them as they begin their ministry. Please keep praying for all of the

pastors of San Jacinto Baptist Association as they seek to lead the churches to be about the kingdom mission.

Over the past fourteen months of the Pandemic, we find ourselves developing new habits. For instance, for me in the early days of being restricted to home and non-attendance of face-to-face church, it became habitual to watch different worship services of association churches with a cup of coffee and sitting in my recliner. After all, I could watch and hear on any given Sunday at least five different sermons from our churches. But there was one thing missing, fellowship and encouragement of fellow believers. When God opened the door to become an interim pastor at one of our churches, the passage in Hebrews 10:24 and 25 became an important passage for me. "And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting one another, and so much the more as you see the Day approaching." (NKJV) Think about it.

SJBA BSM at Lee College

Tina Wash, SJBA BSM Director

Welcome back to the Baptist Student Ministry (BSM) at Lee College for a year filled with choices, responsibilities, gratitude, and *Truths* for College Students that must be recognized. Classes are important; Relationships are important; Financial needs are important; and GOD IS IMPORTANT.

Note that while the importance of God occurs at the end of the above list, it is our role to encourage and teach others to place Him at the *beginning* of their own personal lists. That can only be accomplished with God's leading, wisdom, excitement, and His purpose for the BSM. Our part is to provide the love, the teaching, the relationship that Jesus came to offer. And what says love better than lovingly prepared food followed by Bible study?

As our world slowly reawakens, we will host the BSM luncheons only on the First Thursday of each month, expanding as other opportunities arise. In addition to that, BSM will strive to involve night class students on the main campus as well as the Lee College extension on I-10. Bible studies will provide focus and train students to develop their own faith and seek God's leadership to share that faith with others at campus activities.

Lee College Welcome Week will be held August 23-26, 2021, 10:00 am - 2:00 pm daily. SJBA members, please invite your students to check out the BSM table in the Student Center during Welcome Week!

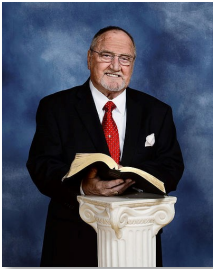

Please pray with me that His plans will be followed and that we honor that which only He can know is needed and greater than anything we could ever do.

I cannot close this without saying "Thank you!" to David Brumbelow, retired BSM Director at Lee College. It is evident his consistent ministry has led to our being welcomed on campus and encouraged to follow God's lead for the Baptist Student Ministry (BSM).

Prayer Coordinator

Dr. B.L. Worsham

“Happy is that people, whose God is the Lord.” (Psalm 144:15)

We find this truth throughout the Bible, and a fact in the daily life of our nation! Founded upon faith, “In God we trust,”

245 years ago. Today, we are divided and unhappy! Why? Because we lost our purpose, our direction, and our anchor upon which we began, prospered, and grew.

What did those who led believe enough to risk life and liberty in the pursuit of freedom, faith, and God’s will?

George Washington, father of our country: America’s first president, said—“While we are zealously performing the duties of good citizens, we certainly ought not to be inattentive to the higher duties of religion! It should be our highest glory to add the more distinguished character of Christian.”

John Adams, America’s second president, added—“Our constitution was made only for a moral and a religious people. It is wholly inadequate to the government of any other.”

Benjamin Franklin, leader of the American Revolution, exclaimed – “The longer I live, the more convincing proof I see of this truth – that God governs in the affairs of men.”

Thomas Jefferson, America’s third president, noted, “God gave us life and liberty! Can a nation be secure when we have removed a conviction that these liberties are the gift of God?”

These founders, believed God, and the Bible; it said: “--- Whosoever trusts in the Lord, happy is he.” (Proverbs 16:20)

One more taken from my own experience: “Always do the right (godly) thing. It is not easy, but it is always the right thing to do!”

God Bless You,

Dr. B.L. Worsham

Lake Tomahawk News

Patrick Flowers, Camp Manager

Hello from Lake Tomahawk!

Summer Camp is going great, and lives are being saved for Christ. We are very thankful and blessed to serve at Lake Tomahawk and see Christ move in so many that come through our gates.

We have all heard the saying “it takes a village,” and it truly takes a village to run Lake Tomahawk. We have staff in many areas that serve our guests to make sure they have an enjoyable experience. All our staff work very hard every day to make Lake Tomahawk a successful ministry and we appreciate them all very much.

Seasonal staff are hired each summer at Lake Tomahawk to cover the various positions around camp. These hard-working students have accepted a call to this ministry for the summer. They could do many other jobs, but they chose Lake Tomahawk. They are truly a blessing to Lake Tomahawk, and we enjoy working with every one of them. Please pray for each of them, for their safety and for God to speak to each one this summer. I pray that each of our staff can leave here changed along with our campers.

Thanks for your love and support of Lake Tomahawk. We love this ministry and I encourage you to come see us soon!
