Summer Camps

**SJBA Transition Team**  
Rob Gaschler

Our San Jacinto Baptist Association Coordinating Council and staff have been working hard, and we should applaud their efforts and keep them and this effort in prayer! I want to take a moment to introduce myself and new role leading the Transition Team for San Jacinto Baptist Association being appointed by the Coordinating Council.

My name is Rob Gaschler, and I've been on the field for just over one year in SJBA as the Associate Pastor of Discipleship at Second Baytown, and I'm excited to be here. Now, I'm working with a great team of people from our association as the Transition Team who will work together to discern what the priority needs of the churches in our association are so that we can better clarify our purpose and future together. Through prayer, a survey, and discussions, we will bring the major priorities that should dictate our association's structure and present these findings at the next annual meeting if we can work diligently.

Here is where we need your help! We need every pastor, associate staff, and volunteer leader for all ages in our churches to complete the survey we will be preparing and sending. Your team's participation will be critical to shaping the future, and effective mission of the San Jacinto Baptist Association.
