SAN JACINTO BAPTIST ASSOCIATION
Great is the Lord is the theme
for our 2025 Annual Meeting.

This year has been a difficult year for San Jacinto Baptist Association. We have operated with our Executive Director position vacant. We have tip toed our way through some very rough financial issues for both the association and Lake Tomahawk Christian Retreat Center. We have relocated our Mission Center office to the campus of Memorial Baptist Church in Baytown. Yet through it all we have seen that the Lord has not abandoned us. Indeed, "Great is the Lord and greatly to be praised" as Psalm 145:3 declares.

I hope you will attend this year's Annual Meeting and join us in declaring that God is good all the time and all the time God is good.

As we move forward, I want to say thank you to Suzi and Greta, our SJBA staff, at this time. Their tireless work has helped us navigate this transition time. If you see them or happen to visit with them, please let them know how much you appreciate their service to the Lord especially as we prepare for our Annual Meeting.

May God Bless You and Your Church

Baptist Student Ministry

Tina Wash, Director

"Count your blessings, name them one by one..." There was Josiah, Jeremiah, Miss Melissa, Marcus,

Maria and, and - and at least 150 more students who greeted us with hugs and *genuine gratitude* that BSM is beginning soon! The excitement was thrilling; the encouragement for those who had never attended, and the faith that has matured over the past few years is a representation of all God is doing at Lee College! Thank you, SJBA and Lee College for caring about students you may never personally meet and allowing us to share the Bible with many who are seeking to learn about God.

Our BSM lunches begin September 4 in the Security Building, 11:30 am to 1:00 pm. I am convinced that with God's leadership this will be our biggest year yet! Prayers for wisdom and understanding and commitment are needed for each student who is seeking God. I know the churches have been faithful to pray for BSM over the years, and I hope you will continue to do so. The students need you. Based on my past few days on campus, I think we all need to see and enjoy student interest in learning the Bible, to see students encourage and help others, to see them share their faith, and to see God work as only He can. I truly anticipate the need to start "Counting our Blessings, one by one" and name by name and wonder upon wonder!
