John Mueller,
Pastor, First Mont Belvieu,
SJBA Moderator &
Co-Executive Director,

I'll admit it – I'm a dreamer.

I love picturing the improbable when I think about my church, family, and my life. And I love praying big prayers. After all, Jesus told us, *"Whatever you ask in prayer, believe that you have received it, and it will be yours"* (Mark 11:24).

So, here's a question: What if God actually showed up and did more than we've even dared to ask for? Paul says He *"is able to do far more abundantly than all that we ask or think"* (Ephesians 3:20). Not just a little more – *far more abundantly*.

That is why our **80th Annual Meeting on October 20** carries the theme **"Far More Abundantly."** We are going to gather as churches, dream big, and ask God to do what only He can do.

Let's face it – ministry can be lonely. But because God is able to do far more abundantly, we believe our churches and our association can be:

- A place where pastors and leaders find genuine encouragement.
- A launching pad for gospel impact across our region.
- A source of practical help for churches of all sizes.

It all starts with relationships. Then it grows into missions. And it lasts through trust, humility, and a shared love for the gospel.

So please plan to join us on **October 20 at Community Baptist Church in Crosby**. Bring your team. Bring your friends. Come with expectation – because our God is able to do far more than we can ask or imagine.

"To Him be glory in the church and in Christ Jesus throughout all generations, forever and ever. Amen" (Ephesians 3:21).

Baptist Student Ministry

Tina Wash, Director

As we begin a new semester at Lee College, filled with new faces, returning students and an environment of excitement, I am once again asking

for your prayers – prayers that nothing will distract from God's Plan. New students, new teachers, new opportunities, a new Lee College President, and may I say a new book of daily devotions God has gifted me with!

This week has been filled with texts and calls from those who have advanced to upper-level universities and the workforce. And embedded in every contact have been expressions of joy about the BSM – for some it is gratitude for what they have learned; for others it is updates on their lives and promises to continue learning more of the Bible. God has certainly blessed us throughout our time at BSM. My prayer is that we continue to be the people, the organization, the environment that invites God to shine, to teach, and to spread His love to all! Please pray with me that nothing, absolutely nothing, prevents the BSM from sharing the genuine love of God for all. I have included several upcoming events so that you may join us in prayer - in hope that all will recognize the importance of God in each life.

Bible Study and lunch every Thursday at the BSM from 11:30 am to 1:00 pm. Come and go as class schedules

allow, and learn more about the one, true God who loves us more than we can imagine – the one, true God who possesses the strength, the power, and the wisdom we all seek!

See You at the Pole is September 23 at 8 am in the Sports Area Parking Lot – A time of student-led prayer for students, for our nation, for our churches, for all we will encounter.

A Prayer Walk for the Campus on September 24 – this is a quiet, focused time of prayer as BSM students pray for teachers, students, and employees. We will begin the Fall Semester in prayer for safety, for courage to share our faith, and in prayer so that we allow God to quietly lead us to those powerful prayers that can guide a nation, both now on Lee College Campus and in the future. I am convinced God has already created His perfect plan for each student ... now it is our job to be sure all know that.

My thanks to you for this ongoing ministry.

Josh Kirby, Camp Manager

Greetings from Lake Tomahawk!

It's hard to believe September has already arrived. We're praying that cooler fall weather will soon make its way to Lake Tomahawk!

There is a lot to celebrate around camp. We are building relationships with both new and returning groups as we plan for upcoming retreats and summer camps. Our team works hard to keep the property beautiful, well-maintained, and fully functional. We're also taking steps toward a more technology-friendly process for booking and managing retreats and camps—and that's just the beginning!

How can you be part of the development and ministry of Lake Tomahawk? Current needs:

- Prayer warriors to cover Lake Tomahawk and our staff.
- Teams to serve and help with projects.
- Financial contributions.

If Lake Tomahawk has blessed you, your family, or your church in some way, we invite you to pray about becoming part of the continued ministry here. No gift is too small.

Thank you for praying for Lake Tomahawk and for being part of what God is doing here!

If you would like more information, please call the Lake Tomahawk office at 936-563-4644 or email josh@laketomahawk.org.
